

Dear Parent/ Guardian,

Thank you for your interest in Arthog Outreach. We have a long tradition of providing young people with a very special, sometimes life-changing, experience.

Arthog Outreach allows young people to experience challenge and success in a caring and structured way in their local environment. Their time with us is filled with new and exciting experiences. Young people learn new skills, improve attitudes and understanding, and develop their personal and social skills.

Before attending Arthog Outreach, there are certain things that you must do. Please read the list below:

Consent form and Acceptance of Risks

Please be aware that adventure activities themselves are not completely free from risk. Whilst the chances of serious injury are extremely remote the chances of minor injury (bumps and scrapes) have to be seen as possible outcomes to much the same extent as normal active play.

Please read, complete, and sign the consent form, and return it as directed to acknowledge your acceptance of this.

Payment

Your school or group organiser will be in contact if any payment is required.

What to bring

Please read the suggested list, no one likes being cold! Do not forget medicines.

I am sure your child will be provided with details of their chosen Arthog activities. However, if you have any other questions, please contact the school or group organiser. If you would like further information about Arthog Outreach, or you have specific questions that your organiser is unable to answer, please see our website or phone or email us for a chat.

We hope your child will have an exciting and rewarding time with us.

Yours faithfully

Arthog Outreach
